Exhibition hours

The exhibition will run in parallel on all ECerS conference days. It will begin on the Monday after the opening at 11 am. All stands should be set up by then at the latest.

From Monday to Thursday, there are fixed break times every day during which the exhibition can potentially be visited by ECerS attendees:

Daily breaks:

- Coffee break I: 10:30 – 11:00 am
- Lunch break: 1:00 – 2:15 pm
- Coffee break II: 4:00 – 4:30 pm

Please make sure that your booth is manned at least during these times. It is to be expected that visitors will also visit the exhibition during the ongoing symposia.

On **Monday evening, September 1**, there will also be an **Industrial Evening** from 6:00 – 10:00 pm, which is specifically for visiting the exhibition and networking. Please make sure to be present at your booth during this event.

During the conference dinner on Wednesday, September 3, the exhibition will not be open to give you the opportunity to attend the conference dinner as well.

Booth information and design

All exhibitor booths must have been booked in advance via the ECERs 2025 booking form or are part of a booked sponsorship package for ECerS 2025.

This means that all exhibitors will receive the booked exhibitor package (1m², 6m², 9m² or individually agreed stand space) with the corresponding basic stand equipment.

Additional equipment, furniture and graphic design:

Additional things besides the standard packages have to be booked directly via our official booth building partner Creativer Messebau Pökert GmbH in advance.

Link: www.ecers2025.org/exhibition

If you order **digital printing** for the booth design with Creativer Messebau Pökert, please make sure, that your graphic files will be submitted **until August 1, 2025** at the latest to info@cmp-messebau.de.

Fire security

The materials used for booth construction must meet at least level B1 and be flame retardant following DIN 4102-1. Proof must be available at all times upon request.

Electricity

All booths will have a standard electrical outlet (230 V socket)

If you require additional power connections or special connections, please contact the booth construction partner Creativer Messebau Pökert.

WiFi

All booths will have a standard WiFi in the exhibition area. If you require special connections, please contact Fraunhofer IKTS in advance.

Cleaning

There will be a daily vacuum cleaning in the exhibition area.

Security

There will be no separate security service for the exhibition. If you wish to have additional security service, this must be hired at your own expense.

Logistics and Delivery

Delivery prior the event / Collection

Material for the exhibition can only be delivered earliest two days in advance of the assembling of the booth at the Maritim Hotel & International Congress Center Dresden.

The collection should be done at the latest one day after the event or the next possible working day.

Delivery: 28. – 30. August 2025, 8:00 am – 6:00 pm

Collection: 4. September 2025 until 6:00 pm

5. September 2025, 8:00 am – 6:00 pm

Please use the following **address** and information for the **delivery** and **make sure that the name of the event, booth no. and exhibitor's name is stated on the label!**

Maritim Hotel & International Congress Center Dresden Event: ECERS 2025 Booth number: XX Name of Exhibitor: XXX Ostra-Ufer 2 01067 Dresden Germany

Please note that all delivered packages are being stored at the delivery zone for all goods at the entrance and need to be collected and brought to the booth by the booth personnel or the organizer themselves.

We would like to point out that all parcels must be labelled and neatly packed for collection after the trade fair. This is necessary to ensure a smooth collection process.

Storage of exhibitor materials and empties

Please note that there are no storage areas for exhibitor materials and empties during the event.

Forklift service

There is no forklift service on site.

Goods lift

The Maritim Hotel & International Congress Center Dresden has a goods lift that allows barrier-free access to all levels.

- door measurement: height 2,10 m x width 2,20 m
- inside measurement: height 2,20 m x width 3,20 m x depth 2,40 m
- maximum load: 4770 kg

Service Partner for delivery prior the event

For the delivery of larger furniture, equipment, or exhibits, we recommend using our official logistics partner, DB Schenker. Schenker can handle both transportation and temporary storage in Dresden, offering a convenient and reliable solution for bulky or complex shipments.

Please note that any storage fees incurred will be the responsibility of the exhibitor.

Schenker will organize consolidated transport to the International Congress Center Dresden (ICD) and ensure direct delivery to your booth.

Outbound logistics can also be arranged through Schenker, including the return transport of materials after the event.

In addition, Schenker can assist with customs clearance for international shipments.

Contact Details:

Schenker Deutschland AG

Potthoffstraße 5

01159 Dresden

Contact person: Mr. Uwe Schmidt

Deliveries by your own truck/car

Deliveries to your exhibition booth using your own truck, service or by your own car can be made from Saturday, August 30 through Sunday, August 31.

As there will be an international sports event “City Biathlon” in Dresden on August 31, all roads around the International Congress Center Dresden (ICD) and Maritim will be closed for traffic on Sunday between 11:30 AM – 7:00 PM.

To reach the ICD on Saturday and Sunday, August 30 + 31, by car or truck for delivery of booth materials, you will need a **drive-through permission**.

You need to arrive from the street “**Kleine Packhofstraße**” to the ICD (see map on the next page). Other streets will be closed for the sports event.

Only with the drive-through-permission you can cross the roads in front of the ICD and drive behind the ICD to unload.

The drive-through for cars and trucks to ICD is only possible at the following times:

Saturday, August 30:	09:00 am – 01:00 pm without any restrictions
Saturday, August 30:	02:00 pm – 6:00 pm – only with permission
Sunday, August 31:	08:00 am – 11:00 am – only with permission
Sunday, August 31:	from 11:30 am – 07:00 pm no access to ICD and exit from there by car/truck

Therefore, **please let us know in advance** whether you would like to drive to the ICD on Saturday and Sunday. We will organize the drive-through permission for you and will inform you about all necessary details for the drive in on Sunday.

The parking garage of ICD is only accessible until Saturday evening. On Sunday, August 31, there is no way out of the parking garage between 11:00 am and 07:00 pm!

To organize all deliveries and vehicles for a smooth setup, please send us an email with the following information until July 25th by the latest:

- Will you send parcels to ICD between August 28 – 30?
- Do you plan to arrive by car, van or truck for delivery on Sunday, August 31st?
- Do you plan to arrive by car, van or truck on Monday, September 1st?
- Do you plan to setup your booth on Sunday or Monday?

Booth Set-up

Set-up for the booths is possible on **Sunday, August 31** and **Monday, September 1**.

If you have already sent your exhibition materials to the ICD on Friday, August 29 or Saturday, August 30, we will bring them to your booth.

If you deliver on Saturday and Sunday, there will also be storage space inside the exhibition hall.

- You can then set up your booth on Sunday between 08:00 am - 09:00 pm.

Booth Dismantling

The dismantling of exhibition booths is scheduled for:

Thursday, September 4, from 3:00 pm to 6:00 pm.

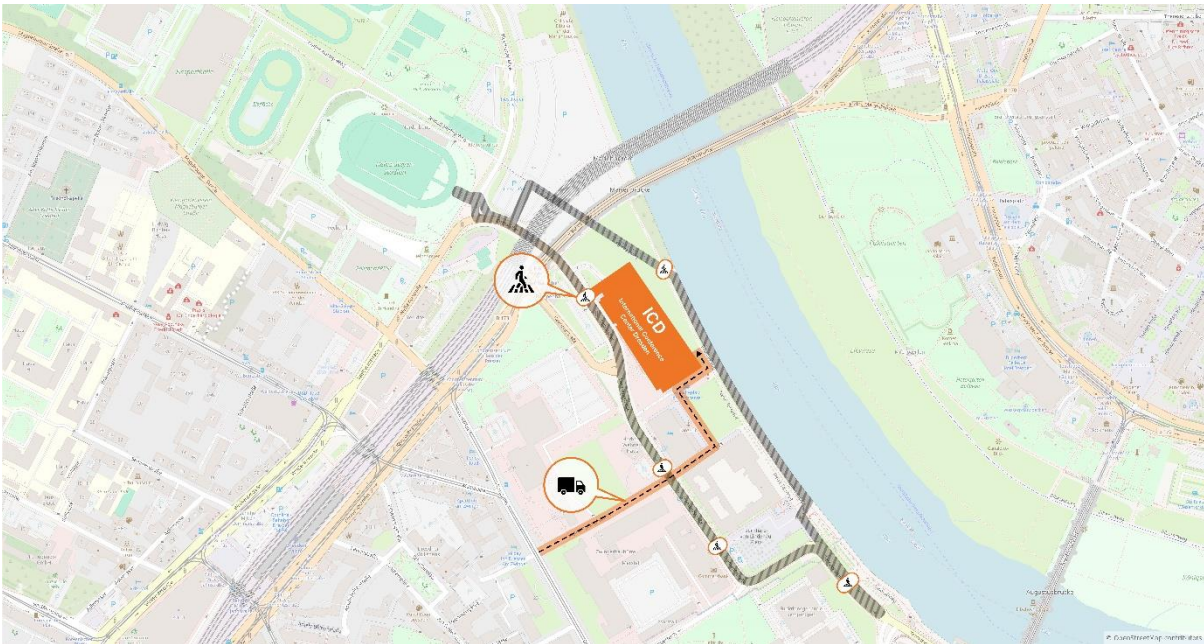

All exhibitors are kindly requested to complete all dismantling activities within this timeframe to ensure a smooth and efficient breakdown process.

Packages scheduled for **pickup** by a logistics company must be properly packed and clearly labeled by the exhibitor. It is the exhibitor's responsibility to transport all outbound shipments to the designated storage area. Pickups must be completed no later than 6:00 PM **on September 5**.

Please note that collections can be scheduled daily between 8:00 am and 6:00 pm.

Ensure that all items are clearly marked with the appropriate shipping labels to avoid delays or misplacement.

Any items that are not collected by the deadline may be removed at the exhibitor's expense.

Way to ICD on Sunday, 31st August 2025:
gray: racetrack of Biathlon, orange: access by car to ICD over “Kleine Packhofstraße”,
crosswalks

Street on the backside of ICD for delivery

Marketing and Communication

Your logo for booth signboards

All exhibitors and sponsors who have booked a booth with booth construction have a logo signboard included.

To ensure that your logo is clearly visible, **please send us a vectorized file of your logo** for the stand constructor in advance to:

info@ecers2025.org and info@cmp-messebau.de

Exhibitor directory and MarCom package

The short profiles which you have provided in advance can be found online in the exhibitor directory and will also be shown in the ECerS event app during the conference.

Sponsors: Adverts in the Program

Please send us your advert in the agreed size (1/4, 1/2 or full page) according to your booked sponsoring package until **July 15th, 2025**.

- The advert should be in PDF or JPG format (without bleed).
- Resolution of image files: min. 300dpi
- 1/1 page – 18 x 25 cm
- 1/2 page – 18 x 12 cm
- 1/4 page – 8,5 x 12 cm
- Guidelines for print advertisement: [Sponsorship – ECerS 2025](#)

Social Media Package

A social media package will be provided, including some banner graphics, and additional materials that can be used to promote your presence at ECerS 2025.

These resources will be made available on the official website of ECerS and also sent to you during the preparations and on request.

We encourage you to make use of these resources to enhance your visibility before and during the event.

This Exhibitor Manual might be supplemented with further details, if necessary. We will inform you about any updates.

All the information provided is subject to further changes.

If you have further questions, please do not hesitate to contact the organizers of ECerS 2025 conference in advance at info@ecers2025.org.

© Sebastian Weingart (DML-BY)
